

Site notices on your phone, in **your** language.

Point your phone camera at the square below. It takes about a minute. It is free for you.

YOUR SITE'S QR CODE GOES IN THIS BOX

Print your join card from TeamTalk (Admin → Join card), then paste or print the QR here. Keep it at least 60 mm across so it scans from an arm's length.

WHAT THIS GETS YOU

Every notice from this site, read in the language you choose.

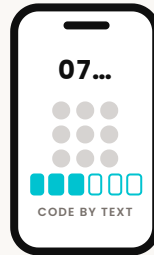

- Safety notices, site rules and shift changes, in your language.
- A tap to confirm you have read a must-read. No paper sheet.
- Report a hazard with a photo, in under a minute.
- No app store. No work email. Nothing to pay.

Your mobile number is only used to sign you in. It is deleted when you leave.

1

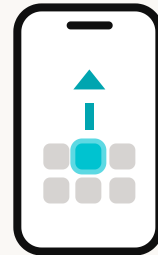

Scan the code

Open your phone camera and point it at the square above. Tap the link that pops up.

2

Enter your number

Type your mobile number. We text you a six digit code. Type the code in. That is your login.

3

Add it to your home screen

Tap Share, then **Add to Home Screen**. Now it sits with your other apps and buzzes when a notice arrives.
